High Court Rule Affects Randall

The US Supreme Court decision Monday to put local government under its one-man, one-vote rule will drastically affect Randall County.

Judge Byron R. "Whizzer" White handed down the majority (5-3) decision in a case from Midland County, Tex., where Mayor Hank Avery asked that the county governing body be apportioned on a population basis.

Circulate Petition On Campus

A petition protesting the dismissal of Dr. Alfred A. Kraus, Jr. from the West Texas State University faculty is being circulated by five students.

Billy Roberts, Amarillo senior, said he would estimate about 350 students had signed the petition which is directed to WTSU President James P. Cornette and the Board of Regents, Texas State Senior College System.

Roberts said Tuesday he and the other four students thought the petition might have some bearing on the regent's decision to retain Dr. Kraus, who is now project director for physical science at the WTSU Kill. (See PETITION Page 11)

Paving Is Discussed

The possibility of paving 28th Street between 10th and 11th Avenues here was discussed by Canyon City Commissioners Monday.

Commissioners indicated they would pave a 30-foot strip already dedicated to the city if developers of Pioneer Estates would dedicate the adjoining 30 feet for a street.

Mrs. W. E. Parker, who earlier requested city officials to deed the 30-foot strip she owned back to her, plans the construction of an apartment house at 28th Street and 11th Avenue.

While Mayor Paul Lindsey said he felt there was not sufficient traffic to presently justify the paving, Commissioners Felix Pierce, H.R. Fulton, Jr. and George Ritter disagreed.

The three commissioners pointed out the amount of traffic to the LaCasa Canyon Rest Home at 2623 12th Avenue as justification for possible paving.

Commissioners agreed to (See PAVING Page 11)

CHS Wins Second

Second place was won by the Canyon High School drama students for their presentation of the one-act play "Whirligig" at the district University Interscholastic League contests Friday at West Texas State University.

Mary Mitchell, who played the witch, was named best actress in the competition. She was awarded with a medal.

The play was an original adaptation by Eddie Thomas, speech instructor, of Oscar Wilde's "The Fisherman and His Soul".

In the district competition, Dumas High School took third place and Perryton High School was first.

Scholarships For Seniors

Scholarships amounting to a total of \$450 will be awarded to three graduating seniors at Canyon High School this spring.

The scholarship awards of \$300, \$100 and \$50 are being sponsored by Downtown Shopping Center merchants and may be used by the winners for study at any accredited college or university. Winners will be announced at the annual senior awards assembly in May.

Voting began last week and will continue through May 11.

Local customers will sign the senior's name of their choice to the back of each sales slip or cash ticket at the participating merchants. Ballot boxes will be located in each store and votes will be determined by the total of cash register tapes and sales slips.

Cancer Drive Gives \$1,300

An estimated \$1,300 was raised Tuesday night in a house-to-house canvas of Canyon by volunteers for the Randall County unit of the American Cancer Society.

Fund chairman, Larry Hooper, urges residents who were not contacted to make their donations by mail to the drive. Mail donations may be sent to Hooper at 2621 11th Avenue.

Additional funds will be counted this week in the business drive and through the Hosea Foster Memorial Fund.

Students Enter Science Judging

Four schools in Randall County will be represented at the eleventh annual Texas Panhandle Science Fair in Amarillo.

The fair will be judged Friday with results of the judging to be announced at the awards ceremony Friday at 7:30 p.m. in the main auditorium of Tascosa High School. The awards ceremony is open to the public.

The fair, also open to the public, will be on exhibit at the Commercial Exhibits Building on the Tri-State Fairgrounds. The fair will be open for public inspection Saturday and Sunday. It will close at 5 p.m. Sunday.

Entries from a 26 county area will be competing. In the junior division, the best overall exhibitor will receive the Field Enterprises Award of a 20 volume set of World Book Encyclopedia. The best overall entry in the elementary division will be awarded the Grolier Award of a 10 volume Book of Popular Science Encyclopedia.

Firm Shareholders To Get Paid Last

Canyon Credit Union will eventually pay off its obligations, Bruce Gibson, Texas Credit Union supervisor with the State Banking Department, Austin, said Tuesday.

"It is going to take some time," Gibson said. "The people who owe the credit union money are only obligated to pay so much a month and payments cannot be accelerated."

Liquidation of the Canyon Credit Union was begun in March of last year. At that time the credit union owed about \$500,000. A member of the credit union board said a good percentage of this indebtedness has been paid off but could not give exact figures.

Credit union officials said depositors and creditors will be paid off before anything is paid to shareholders.

"Shareholders will be paid after all other liabilities have been settled," a spokesman declared.

Gibson said that in 1966 the State Department of Banking ordered \$900,000 in notes to the

credit union cancelled. He said nine persons signed notes of \$100,000 each, receiving shares without any money ever having changed hands.

Gibson said the state law permits a credit union to borrow up to 50 percent of its share capital.

He said the Canyon union borrowed some \$450,000 on the strength of the shares obtained by signing of the notes.

An examiner discovered the transactions some time in 1966. "We put a stop to it," Gibson declared saying that although there was nothing illegal about (See FIRM Page 11)

Public Hearing Slated Friday

A public hearing on the rezoning of a tract of property in Hunsley Hills from dwelling to retail will be held Friday by City Commissioners.

The meeting, slated at 7 p.m. in the City Hall Annex, will be to hear the public's views on the rezoning proposed by Tom Rose, owner of the Hunsley Hills golf club.

Rose, who earlier obtained sanction on the rezoning from Zoning Commissioners, said he planned a club house in Hunsley Hills.

Bulletin

Elton Cox Wednesday announced his resignation as attorney for the city of Canyon.

Cox has served as city attorney for the past year.

Spelling Title Won By Umbarger Girl

An eighth grade student from Umbarger School was declared the "champion speller" for Randall County in competition Friday at Canyon Junior High School.

Mary Raef, daughter of Mr. and Mrs. Lewie Raef, gained the title by correctly spelling "circuit" and "barrister" in the nineteenth round of the senior spelling bee. Miss Raef will represent Randall County at the Golden Spread Spelling Bee to be held in Amarillo April 27.

At the Amarillo event, Miss Raef will be competing for an expense-paid trip to the National Spelling Bee in Washington, D. C. later this spring. She will be in competition with county champions from 45 other counties at the Amarillo spelling-down.

Alternate (second place) in the senior bee went to Patricia Maxwell of Gene Howe Elementary School. Miss Maxwell, daughter of Mr. and Mrs. Ray Maxwell, was entered in the senior bee because she was

the county winner of the junior division by correctly spelling "assign" and "accrual" in the 26th round.

Second place in the junior division went to Judy Carpen. (See SPELLING Page 11)

Was Platt Accepted?

Minutes of commissioners court meetings in July of 1964 are being searched to determine whether or not a plat of Holiday South in north Randall County was accepted by commissioners court.

Although the plat on file with the county clerk bears the signature of Wayland Angel, then county judge, Commissioner B. R. Jones contends the plat was never approved by the commissioners court.

The date of Judge Angel's signature on copies of the plat is July 31, 1964. Jones said the signature of the county judge does not constitute approval by (See PLATT Page 11)

AN UNUSUAL VIEW of work on a sewer line at the City Park is shown in this photograph. The work, started last week, will include bypassing a sewerage lift station at the City Pool. The pool was closed early last year

when sewage at the lift station backed up and flowed into the pool. City officials, who said the work would cost about \$900, would eliminate the lift station but would result in power cost savings.

Voters Approve Bonds, Elect Jim Christopher

Canyon voters turned out in record numbers Tuesday to give their approval to three city bond propositions totaling \$440,000.

Although the general obligation bonds were sanctioned for improvements to the city's sewer, street and drainage and dump ground, voters indicated they wanted Jim Christopher, local realtor, to replace incumbent George Ritter, as city commissioner, place three.

Bond issue results, which were canvassed by commissioners Tuesday, showed the sewer proposition carrying 474 to 100; streets, 441 to 131; and dump ground, 476 to 99. Christopher, who campaigned as a conservative candidate, received 344 votes and Ritter received 269 ballots. Christopher will be sworn in April 15.

Mayor Paul Lindsey received 605 votes and H. R. Fulton, Jr.,

Enrollment For ASCS Programs

The 1968 wheat, feed grain and cotton signups have been completed by the Randall County Agricultural Stabilization and Conservation Service.

place two, received 605 ballots. Both were running unopposed. Commissioners set May 6 as a tentative date for advertising for sale of the bonds.

The 500-plus vote, city officials said Tuesday following the election, is about 16 percent of the total registered voters within the city limits of Canyon.

City commissioners, who had been considering the improvements in Canyon for some time, staged a vigorous campaign in-

Randall Leading In Growth

Canyon has kept pace with Randall County--the fastest growing county in Texas--during the past seven years.

Chamber of Commerce figures place the population of Canyon at 10,250 as of Jan. 1. This compares to 5,864 in 1960. Randall County's present population has been placed at 57,999 by the Population Research Center of the University of Texas.

Figures show Randall County increased from a population of 33,913 in 1960--an increase of 7.5 percent per year.

Randall's neighbor to the north--Potter County--lost 6,000 population, a loss blamed on the closing of Amarillo Air Force Base.

The second biggest percentage increase during the past seven years was shown by Deaf Smith County with an increase of 6,000 persons for the period.

UIL Literary Meet Is Held

Three Canyon High School students were winners at the district University Interscholastic League contests held Saturday at Canyon High School. Shelley Brillhart will represent the school in informative speaking at the regional UIL contests April 20 in Odessa.

Margaret Raef will represent CHS at the regional event in prose reading and Randy Price was named an alternate for the slide rule contests at regional.

In the district meet, Canyon ranked second with 101 total points following Perryton High School's 159 points. Other schools and their rankings were Muleshoe, 96 points; Hereford, 55 points; Dumas and Tulia, 30 points each.

Band Wins Sweepstake

A sweepstakes was won by the Canyon High School band in regional University Interscholastic League competition Wednesday at Plainview.

The CHS band received a division I in marching, division I in concert and division I in sightreading. The group will receive a trophy and are qualified to participate in events at Corpus Christi in early May.

District PTA Meet Monday-Tuesday

District 8 of the Texas Congress of Parent-Teacher Associations will meet in Canyon Monday and Tuesday with headquarters at the Central Church of Christ Building here.

About 300 delegates are expected from the 11-county district.

The conference begins with a board dinner honoring district and state PTA members Monday evening. The dinner will be held in the Gold Room of the east cafeteria at West Texas State University with Rex Reeves and Gene Howe PTA groups as hosts.

Dr. James P. Cornette, president of West Texas State University, will address the group on "Our Changing World." Herman Alexander, president

of the Rex Reeves PTA, will serve as master of ceremonies and Canyon High School's Madrigal Singers, directed by Miss (See DISTRICT Page 11)

Voters of Canyon Independent School District Saturday will elect three trustees from a field of six candidates.

Polls will open at 7 o'clock in the morning and close at 7 o'clock Saturday night.

There will be two polling places, one at the American Legion Hall in Canyon and the other at Gene Howe Elementary School in South Amarillo.

A. L. Crossland will be elec-

tion judge in Canyon with Mrs. E. A. Michael, Mrs. Hud Pritchard and Mrs. D.M. Foster as clerks.

Bill Harp will be election judge at Gene Howe. Clerks will be Mrs. A.M. Cunningham and Mrs. C.M. Purcell.

School officials this week said about 1,200 votes are expected. Three farmers and three businessmen are seeking posts on the school board. Three

of the candidates are incumbents.

The newcomers are Dick Fleniken, John Albers and Glenn Dorris. The incumbents are Jerry LaGrone, Wesley Cox and Joe Gill.

LaGrone, Cox and Gill each has served two terms on the board and all three have served as board president.

Fleniken is in the aircraft sales business at Tradewind

Airport in Amarillo. He lives 2 miles northwest of Canyon. Albers is a native of Canyon. He farms 5 1/2 miles east of town.

Dorris is in the garage and automotive repair business in Canyon.

Cox and Gill are both farmers. Both live in Canyon. LaGrone operates LaGrone Funeral Home in Canyon.

One of the most pressing pro-

blems confronting Canyon School District at this time is what to do about the junior high school building.

Floyd Golden & Associates of Amarillo have been hired to study the problem and recommend to the board whether to remodel the present building--much of it built in 1923--or to construct a new junior high school.

Candidates were questioned

on the matter and here are their replies.

GILL: "I don't have an opinion on whether to remodel or build until we get an opinion back from Dr. Golden. I think something ought to be done."

FLENIKEN: "I don't believe I would be right in voicing an opinion at this time. If I am a successful candidate I will weigh the facts and (See VOTERS Page 11)

Some new legislation governing credit unions is badly needed in this state.

Bruce Gibson, Texas Credit Union supervisor with the State Banking Department, said it is perfectly legal for a credit union to take notes in return for shares without any money changing hands. The credit union then may legally borrow up to 50 percent of its share capital using the shares sold on credit as a part of that share capital.

Apparently the notes may be cancelled and the shares rescinded without any recourse being available to those who loaned money to the credit union on the strength of the share capital.

Texas needs some laws to prevent borrowing of money

on the strength of share capital which has not been paid for. I am forwarding a copy of this newspaper to our legislative delegation with a request that a study of this situation be made and remedial legislation be enacted as soon as possible.

I think the salary of the county judge should be raised without delay.

The office of county judge is the most responsible post in the court house. The county judge sits as a referee in civil and criminal cases and must handle probate matters involving millions of dollars each year.

He is also in charge of juvenile cases making it necessary for him to know some psychology as well as some law.

At present the county judge draws \$8,500 a year. This is not enough for the task he must perform. I've talked to the county commissioners about a raise for the judge but so far I haven't had much luck in getting action.

The Democratic Party is scooping the bottom of the barrel when its front runner for the Presidency has made a statement that he would like to send his blood to the Viet Cong communists.

What kind of a commander-in-chief would Bobby Kennedy make when he has already expressed a desire to give such assistance to an enemy killing soldiers whom he would command as chief executive?

I hope Lyndon Johnson has renounced his party's nomination to become a statesman in the waning months of his administration.

I'm not saying it is Johnson's fault altogether, but under his leadership this country has experienced unprecedented civil strife and our money has edged to the very brink of ruin.

The administration's pie in the sky give away programs have done little or nothing to alleviate poverty and racial disturbance.

And always grimly present like a nightmare that will not go away with the light of day

is the open facet dripping American blood in Viet Nam.

On the credit side, Johnson probably has done more for education than any other president.

Last Sunday night I thought I caught a glint of steel in the tired eyes of the President as he called for a trial halt to the bombing and sea assault of North Viet Nam.

As the President spoke, he referred to allied forces as invincible and I thought I read an ominous message to the reds if they do not come to the peace table in a reasonable span of time.

I think the President intends to end the Viet Nam fiasco either by peaceful means or by mailed fist within the next nine months.

If he succeeds either way, history will deal kindly with Lyndon Baines Johnson.

Wisconsin catapulted Richard Nixon into the Republican Party's driver's seat Tuesday. Some political pundits are ready to tab Nixon as a loser. Nixon was elected US Congressman, US senator from California, vice president twice, and then came within 118,550 votes of John F. Kennedy in his bid for the Presidency in 1960.

He lost the race for governor in California in 1962 but you may recall that Winston Churchill had some political setbacks before he took the reins of his government in the terrible hours after Dunkirk in 1940 and led England to her finest hour.

To top it all, Nixon is a dedicated foe of communism.

Buff Baseball
Teams Will
Meet NMHU

The West Texas State baseball team, with a 4-6 season record, meets last year's small college baseball champions, New Mexico Highlands University here in doubleheaders Friday and Saturday afternoon. Starting times for both twinbills is set for 1 p.m.

Steve Molberg, West Texas State baseball coach, said that he would probably pitch ace lefthander Larry Huff in the first game of the series. Huff, former Midland High star, got off to a shaky start this season, but has pitched well in his last two outings. Also expected to see pitching duties is Gary Culp of Happy. Culp was the Buffs' leading moundsman last season and has pitched well in each of his appearances this season. He owns a 2-1 record.

West Texas is led in hitting by second baseman Mike Mitchell who has a lofty .552 mark through 10 games. Mitchell also leads the team in runs scored with 12, hits with 16, stolen bases with five and doubles with four. Freshman outfielder Aaron Bourland leads the team in home runs and runs batted in with 4 and 13 respectively.

Letter
To The
Editor

April 3, 1968

Dear Sir:

My what one wouldn't know if he didn't attend school board meetings!

Earlier this year at a meeting a local lumberman and builder, M.B. Sims, pointed out that the maintenance on our Junior High Building was poor. This same thing was done a year earlier by at least three different ones. There's no excuse for not replacing loose and missing floor tile, and allowing steam lines to drip until gallons of water accumulate under this building.

At a later meeting when others were called in from which to choose one to analyze the condition of the building, its not surprising that one stating "the maintenance on this building is appalling" didn't get the job. In fact an educationist was employed, which leaves one a little puzzled as to the part he plays in the decision concerning the structural aspects of the building in question. Will anyone be surprised when we're advised that buildings don't fit children etc., and we need to retire the structure that has been neglected? In fact it leaves one wondering if it has been deliberately let run down.

Sincerely yours,
Fletcher Sims, Jr.

(Ed. Note: Since Mr. Sims chooses to use the pages of this newspaper, and he is welcome, to protest action of the school board on the matter of the junior high school building, I think it only fair to tell the readers something about Mr. Sims.

He is an avid protestor. In the past year he has protested before the school board, the Canyon city commission, the Amarillo city commission, the Randall County commissioners court and the school district board of equalization. Last year he ran sixth in a field of six as a candidate for the school board.

He told this writer that he let his subscription to The Canyon News lapse because, as he put it, this newspaper which has supported Jack Seal, Barry Goldwater and Bob Price is too liberal for his taste.)

Moores Visit Son At Honors Events

Mr. and Mrs. William A. Moore have returned from a trip to Ann Arbor, Michigan where they attended the 45th honors convocation held at the University of Michigan honoring undergraduate students who have earned distinguished academic records.

The Moore's son, Wam, was among students being honored at the event. Wam, a graduate of Canyon High School, was designated as the Angell Scholar for having earned an all-A record for two or more consecutive semesters at the university.

Wam was also listed as an initiate of Phi Beta Kappa and is currently in a role of Sophocle's "Antigone". The Moores attended a dress rehearsal of the play at the University Theatre during their visit in Michigan.

The Moores and son, Wam, were among guests at a reception given by the University of Michigan president, Robben W. Fleming, and Mrs. Fleming honoring the honors students and their guests.

Wilbur Cohen, secretary of Health, Education and Welfare Department, was a speaker for the honors assembly. While in Michigan, the Moores were houseguests of Dr. and Mrs. William P. Halstead, Dr. Halstead is head of the theatre department at the University of Michigan.

Groups Appear At Fieldhouse

Performances by four musical groups will be sponsored by Phi Delta Theta fraternity Monday night in the fieldhouse at West Texas State University.

Appearing on the program, which begins at 7:30 p.m., will be the following bands "Them", "The Untilled Soil" and "The Outsiders". Also performing will be Jay Frank Wilson. The program will also include a psychedelic light show.

Advance tickets are \$2.00. Admission at the door will be \$2.50.

cond \$1,000 grant to the University.

President James P. Cornette said that the Hershey, Pa., corporation this week notified him that WTSU will be granted \$1,000 because Jack G. Brinkley, formerly of Amarillo, has continued an excellent record.

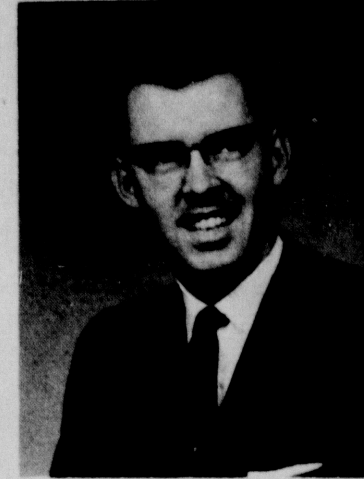

Brinkley went to work for Hershey after graduating from WTSU in 1965. In December, 1966, WTSU was awarded \$1,000 as a result of Hershey's policy of making grants to colleges from which its outstanding employees graduate.

Both grants have been placed with the WTSU Foundation, and the money goes toward the foundation's Faculty Excellence Award of \$1,000, which is granted annually at spring convocation, Dr. Cornette said.

Bob Callahan Leads In Revival

Bob Callahan is serving as singer for a revival this week at Calvary Baptist Church in Canyon.

Callahan is minister of music and education for Paramount Baptist Church of Amarillo.

BOB CALLAHAN

Father of two, he is a graduate of Baylor University and Southwestern Baptist Theological Seminary in Fort Worth. Revival services will be at 12:10 noon today and Friday and at 7:30 p.m. both evenings. A luncheon will follow the noon session. Regular services are slated for Sunday.

Pvt. Stocker In Vietnam

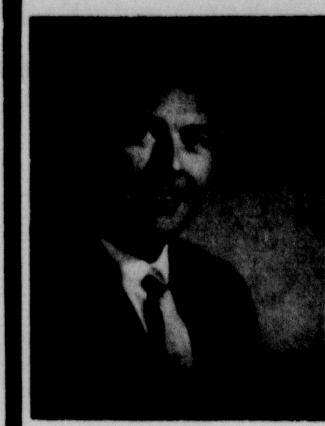

Private first class Daniel L. Stocker left the United States March 17 for a year's tour of duty in Vietnam.

Stocker is the son of Mr. and Mrs. E. A. Stocker of Umberger. He graduated from Canyon High School and joined the United States Army last October.

The Stockers received word this week that their son has been assigned to the 2nd battalion, 60th infantry in Vietnam.

Harrell Slack, son of Mr. and Mrs. Burney Slack of Canyon, is visiting his parents here this week.

Slack, minister of music at the First Baptist Church in Garland, is helping with a revival at Happy's First Baptist Church. The revival will end Sunday evening.

New Books

NEW BOOKS at the Canyon City Library are inspected by, from left, John Guidry, Janet Guidry, Betsy Huntington and Ellen Jones. The shipment of 300 new books are on loan to the library here from the Texas State Library for a period of one year, with an option for renewal of the loan. The 300 books range from

the youngest reader to adult and college age reading materials and are furnished to the library at no charge, except for return transportation, according to Mrs. C. A. Pierle, librarian. The books come complete with ready-made card file and will be available to the public within a few days.

High Yield Sorghum Special!

An introduction to
sorghum quality

1 free
with every
3

You'll save money this spring, and make money this fall! Take advantage of this special introductory offer—one bag free with every three. Plant your entire sorghum acreage with uniform, high-yielding Lindsey/Funk's-G sorghum. This is 10,000-pound-an-acre sorghum. The hybrid: 788A. The location: West Texas. This is the yield power you must have to realize your highest possible profit per

acre. Choose from the highest-yielding grain hybrids 788A and 755. Or top-tonnage silage hybrids 92F and 115F. Funk's-G means quality all over the world. For top quality year after year, plant 100-percent Funk's G-Hybrid. See your Funk's-G dealer for these money-saving, money-making sorghums. And take advantage of this introductory offer of quality: get one bag free with every three!

TEACHERS AWARDED from left, seated, Mrs. Oscar Hinger, Patricia Hall, Earline Moreman, Moira Myrl Wheelock, Mrs. Earl Fort, Zoe Henry, (second row, from left) Imogene Price, Molly Edwards, Mrs. Bobby Byrd, Lee Reeves, Maxine Sherrod, Eloise Burgess, and (back row, from left) Bryce Slack, assistant principal of Rex Reeves Elementary School, Margaret Read, Phyllis Albers and Ora Mae Roberts.

Teachers Awarded Certificates Here

Twenty Randall County elementary school teachers from Gene Howe and Rex Reeves have completed a Science-in-Service training course and been presented with certificates of achievement recently.

The training course, "Science -- A Process Approach" is sponsored by the Panhandle Educational Services Organization (PESO) of Amarillo and directed by the Science Education Center of the University of Texas in Austin. Local teachers involved in the course received instructional ideas in their training

sessions and returned to their classrooms where they utilized these ideas. Elementary children involved in the program participated in varied science activities. The course is designed specifically for a high level of class participation.

Dr. David Butts of the University of Texas is director of the "Science--A Process Approach" program for Texas. Dr. Butts awarded certificates to local teachers on March 23. Directing the teacher program at Rex Reeves Elementary School was Bryce Slack.

Jaycee-Ettes Have Meeting

Canyon Jaycee-Ettes met Monday evening at the home of Mrs. Jim Scott, new president, for a brief business session and assignment of standing committee chairmen.

Named to standing committees were Mrs. Delbert Turk, social; Mrs. Weyman Brown, membership; Mrs. Tommie Terrell, program; Mrs. Charles Marshall, supplies and jackets; Mrs. Guy Hamblen, hoppinghen points and receipt collector; Have Your Say, Mrs. Tommie Terrell; Mrs. Delbert Turk, birthday gifts; scrapbook, Mrs. Weyman Brown; and publicity, Mrs. Weyman Brown-travel and Mrs. Tommie Terrell-business meetings.

Easter hospital favors were appointed to Mrs. Weyman

Brown, Mrs. Don Fatout and Mrs. Tommie Terrell. Appointed as chairman of the "get out-the-vote" answering committee was Mrs. Charles Marshall.

Present were Mesdames Jim Scott, Weyman Brown, Don Fatout, Charles Marshall, Allen Parson, Tommie Terrell, Terry Clark and Bill Blackburn.

Newton Licensed By Church

James Warren (Jimmy) Newton has been licensed as a Southern Baptist minister by Friendship Baptist Church of Amarillo, where he serves a youth and music director.

Newton is the son of Mr. and Mrs. J. C. Newton of Canyon. He graduated from Canyon High School in 1964 and is presently a junior psychology major at West Texas State University.

His wife, the former Donita Allred of Widorado, is a mid-semester graduate of WT with a major in Spanish and biology. She is currently director of the Spanish Center in Amarillo, which is a branch of the Potter-Randall County Community Action Cooperation.

The couple lives in Amarillo.

Eula Tucker Rites Held

Funeral services were conducted recently in Clarendon's Murphy Funeral Home for Eula E. Tucker, a resident of Canyon from 1915 until 1933.

Miss Tucker was a graduate of West Texas State Teacher's College and taught in the Gallup, N. M. public schools for 36 years until her retirement in 1965.

She was a sister of the late W. E. Tucker of Canyon and John Tucker of Lubbock, Mrs. Iva Duffel of Amarillo, Mrs. Myrtle Reed of Claude and Mrs. Viola Hoole of Norman, Okla.

Nephew Wayne Tucker, Gail Reed, Ralph Corea, Marvin Tucker, Bob Tucker, and Garland Tucker were pallbearers. Burial for Miss Tucker, who was born in Stephenville in 1899, was in Citizens Cemetery of Clarendon.

**THE CHINESE
HAD A GOOD IDEA**

In ancient China, people paid their Doctors to keep them well. Any time someone got sick, their Doctor was not paid. This could be possible here, providing our Doctors are given the opportunity to properly take care of you.

It is a fact now, that too many people are constantly taking home remedies which give only a temporary relief till the next dose. Too often, when they finally consult a physician the damage has become serious and the body has been ravaged so that a cure becomes difficult. Some self-treatments are good, but if the condition for which they are taken keeps returning, you need a physician.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Visiting Scholars Attend Meet Here

Upperclassmen from about 20 colleges in the western half of Texas who are members of Alpha Chi, honorary scholastic fraternity, gathered last week at West Texas State University for a two-day meeting.

The scholars, accompanied by their sponsors, were attending their 44th annual conference and 7th biennial conference hosted by WTSU. The Zeta chapter here hosted the regional meet. Dr. Wendell Cain, WTSU professor of speech, is counselor

of the local organization; Dr. Ples Harper, professor of modern languages and head of the department, and Mrs. Kathleen Collins, instructor of English at WTSU, also helped host the meeting.

Billy Walker, son of Dr. and Mrs. Jack Walker of Canyon, is president of the local Alpha Chi.

The program, in addition to a business session, included research papers in science, literature, philosophy and education, interpretive reading and vocal and instrumental numbers.

At a banquet, the guests saw a readers' theatre production of Stephen Vincent Benet's play "The Burning of the Books", which was directed by Dr. Zell SoRelle, WTSU associate professor of speech, and adapted by Linda Hubbard, Pampa sophomore.

Service Mailing Outlined

An illustrated pamphlet--Mail for Servicemen--outlining the expanded program for air-lifting letters, packages and other military mail overseas at low postal rates is now available through the Canyon Post Office window clerks, Postmaster Lee Roy Moreland announced today.

Moreland said that "as a result of new legislation and action by President Johnson we are now air-lifting more than 75 per cent of all mail going to the military men and women stationed abroad. We hope this guide will help more American families be familiar with these services and use them."

The eight-page pamphlet illustrates three services for air-lifting parcels at rates the average family can afford, the speedy service now available for newspapers and news magazines to most overseas bases, the special rates for books and similar educational materials, and how to mail sound-recorded personal messages. The guide also provides parcel wrapping instructions, information on the time it takes parcels to reach Vietnam and other overseas bases from major U.S. cities, and pointers on the correct way to address military mail. A family sending a 10-pound package from Canyon to Vietnam, for example pays only \$2.90 on a package marked "PAL", while the air parcel rate for the same package is \$7.23, Postmaster Moreland said.

On parcels weighing less than 5 pounds it might be more advantageous for a family to use the older (SAM) Space Available Mail service, which provides surface transportation to the port of embarkation and air-lift overseas. A four-pound SAM package to a European military post from Canyon costs only \$1.30. On packages weighing under two pounds air parcel post is often the patron's "best buy" for through air-lift service, the pamphlet suggests.

Funeral Services For R.W. Hough

Richard W. Hough, vice president in charge of the farm equipment division of International Harvester, died of a heart attack Sunday in his home at Palatine, Ill.

Mr. Hough, 49, became general manager of the farm-equipment division of International Harvester in 1966 and was elected vice president in March of 1967.

He joined International Harvester at the Syracuse, N.Y., sales office in 1940 and rose through sales executive position in Syracuse, Harrisburg, Pa., Pittsburg, Pa. and Columbus.

He joined the main office in Chicago in 1959 as general supervisor of farm tractor sales.

A native of Canastota, N.Y., and a 1940 graduate of Syracuse University, Mr. Hough served with the US Army Air Corps from 1941 until 1945.

While stationed at Amarillo 3A AAA of the Texas Interscholastic League, consist of persuasive speaking, informative speaking, prose reading, poetry interpretation, debate, essay, spelling, number sense, slide rule, typewriting, shorthand and science.

High schools to compete are Amarillo, Borger, Caprock (Amarillo), Coronado (Lubbock), Palo Duro (Amarillo), Pampa, Plainview and Tascosa (Amarillo).

Director general is Dr. Crannell Tolliver, head of the speech department at WTSU. Robert Boyd, instructor in speech, will direct the speech and academic events.

Contest headquarters will be in the Fine Arts Building, but contests will be staged in the old Administration Building and the Education Building, as well as in Fine Arts.

Strother, officers said, was traveling east of FM 1714 and was attempting to turn north on to US 87 when the accident occurred.

Begin Sales

BUFFALO COACH Joe Kerbel, left, accepts a check from David West of First National Bank for 42 season tickets for the fall of 1968. West is chairman of a season ticket drive to be conducted in Canyon throughout the month of April sponsored by the Buffalo Idea Committee. The committee's proclamation for observance of Buffalo Season Ticket Month was signed earlier this week by Canyon Mayor Paul E. Lindsey to run April 1-30.

CHS Students In Tourney

Canyon High School track participants are preparing for a 1-3A tournament slated at Hereford with preliminary events to begin at 10 a.m. The tourney, that will pit teams and individuals from Perryton, Dumas, Tulia, Muleshoe, Hereford and CHS, will conclude with final events at 2 p.m.

Those students, coached by Allen Wadsworth, include David Erwin and David Thompson, 100-yard dash; Erwin, 220-yard dash; Stan James, Ricky Johnson and Gary Moore, 440-yard dash; Tony Gibson and Chris Gerald, mile run; Thompson, James, Johnson and Erwin, 440-yard relay; Jim McBroom, Steve Butler, Moore, Johnson and James, one-mile relay; Thompson and Doug Hooker, pole vault; Tommy Tucker, Davis Burnett and Davis Hams, shot put and discus; Butler, high jump, Erwin and Gerald, broad jump; and Clay Michael, 330-yard intermediate hurdles.

Lions List Activities

A surprise program for the Canyon Lions Club will be held Wednesday, according to Art Roberts, program chairman.

Boone McClure, director of the Panhandle Plains Historical Museum, will speak to the group April 17, and Chic O'Mally, manager of the Amarillo Giant baseball team, will address the organization April 24.

The group holds its noon meetings in the American Legion Building.

Varsity Here Friday

West Texas State's football team will close Spring drills with a bang here in Buffalo Bowl Friday night at 7:30 when the Buffs tangle with perhaps the strongest Alumni team ever assembled in the annual Varsity-Alumni game.

Game tickets, which are on sale at the West Texas State Gymnasium ticket office, are priced at \$1.50 for adults and 50 cents for students and children. Proceeds from the game will go into West Texas State's football recruiting fund.

Pistol Pete Pedro, Jerry Logan, Hank Washington and Dave Szymakowski head this year's Alumni cast which is loaded with stars from the 1966 and 1967 Buff squads.

"We're going to be in for a real test," assures West Texas' Head Coach Joe Kerbel. "The Alumni will have excellent passing, strong running and a crack defense. It should be quite a game."

This year's game will be witnessed by many of the state's top sportswriters who will be flown in to get a first-hand look at West Texas State's explosive brand of football. The writers will also have their eyes trained on senior halfback Eugene (Mercury) Morris, the Buffs 1968 All-America candidate. Morris gained 1,274 yards rushing to finish second nationally behind Southern Cal's O. J. Simpson last season.

"He's running better this Spring than he did last year," says Kerbel of the 190-pound Pittsburgh flash. "If he continues to improve, he'll belong in another league."

West Texas football fans used to make similar comments about Pedro who was regarded as one of the nation's most exciting runners during his three years at West Texas. Although plagued by injuries, Pedro still managed to gain 2,256 yards in parts of three seasons. In 1961 he ranked second nationally in rushing and scoring (976 yards and 132 points).

Logan, who won the national scoring championship as a star

on the 1962 Buff squad, is regarded as one of the National Football League's top defensive backs. He has been a Baltimore Colt regular since 1963, his rookie season.

Washington, the 1965-66 star who claimed all of West Texas' passing records in just two years with the Buffs, is expected to fill the sky with passes. He'll have top targets in Dave Szymakowski, Ted Wheeler and Dan Andrews.

The Varsity, which holds a 5-1 advantage in the series, won the first game, 26-0. Pistol Pete Pedro scored on runs of 12 and 16 yards and Logan and Ollie Ross added TD runs for the Varsity before 3,000 fans on a cold, rainy night in the spring of 1962.

Pedro gained 58 yards in 13 trips to top the ball carriers. The 1963 game saw the Varsity again win with ease, 41-15. Dave McInturf opened the game with an 82-yard kickoff return. Pedro romped 47 yards for one TD and Richardson caught a 58-yard pass from Hoot Gibson for another Varsity score. The Exes tallied on a Jim Dawson to Logan pass and a Logan to Ned Jolly aerial. Pedro again led the rushers with 109 yards in 13 carries. Gibson's passing accounted for 189 yards.

The Alums took advantage of nine Varsity miscues to record their only victory, a 34-0 whitewash job in 1964. All five of the Exes' touchdowns were from long range. Richardson took an interception

It was the running of Eugene (Mercury) Morris and Duane (The Train) Thomas that highlighted the Varsity's 27-6 victory in last year's game. Thomas and Morris combined for 196 yards rushing to offset a heavy aerial bombardment by the Alumni's Hank Washington.

The 1967 game also saw the series second largest scoring run, an 85-yard kickoff return by the Varsity's Curley Waters. The Varsity defense was never finer as they restricted the Alumni ground attack to 40 yards.

The West Texas State University tennis team split matches with Abilene Christian College and Hardin-Simmons University in Abilene Friday and Saturday afternoon.

The Buffs defeated ACC 6-0, and lost to Hardin-Simmons 4-2. West Texas meets Hardin-Simmons at Canyon on Thursday, and then Eastern New Mexico on Friday. Both matches will start at 2 p.m.

Make Plans

PLANNING COMMITTEE for the Rex Reeves Parent-Teacher Association are, Herman Alexander, president, standing, and seated from left, Mrs. W. E. Miller, Luther Lawless, Mrs.

Harold Erwin and Oscar Hinger. The group is pictured making final plans for the district sessions slated here.

Building Given Marker

Randall County Historical Survey Committee chairman, Mrs. Terry C. Martin, has announced that an official historical marker will be erected on the building of The Canyon News, 414 15th Street.

Dedication plans will be announced later, according to Mrs. Martin. The cast aluminum marker measures 14 x 24 inches and is sponsored by the Clyde Warwick family.

The marking of local historic sites and landmarks is a part of the Texas State Historical Survey Committee's 5-year RAMPS program to re-

cord, appreciate, mark, preserve and survey Texas history. More than 3,300 markers have been awarded throughout Texas since the RAMPS program was begun in 1964.

Inscribed on the marker for the building of The Canyon News reads:

"THE CANYON NEWS" FIRST CITY NEWSPAPER, THE "ECHO", WAS PRINTED 1889. THE "STAYER" (1896),

Drug Cure Slight In Addiction Cases

OF those treated in hospitals for drug addiction, about 85 per cent return to society still in need of a "crutch", Kenneth Decker said Saturday.

Decker, northern region director for the narcotics division of the Texas Department of Public Safety, said more narcotic users "kicked the habit" in penitentiary environment than in hospitals. The 85 per cent figure, he added, was supplied by the United States Public Health Service.

He explained that "hard work" and "fresh air" was more suitable for a cure than lying in a hospital bed thinking of our problems.

His address, one of three given on the West Texas State University campus at a symposium entitled "The Use, Abuse and Control of Narcotics" sponsored by the government and history departments, was directed primarily toward explaining how the DPS works with local agencies and school administrators in seeking drug users.

"We have our foot in the door," he said of drug addiction on college campuses. "We're trying to prove to school

administrators we have the ability to help without undue publicity or criticism."

With the help of the DPS concerning drug addiction, there is less adverse publicity and less tendency to "sweep the problem under the carpet".

Decker said his agency was more interested in finding the source of supply of the drugs than in prosecuting students.

The fight against drug users has also reached into the higher ranks of our society, he said, where heretofore there was no recognized problem.

LATER RENAMED "RANDALL COUNTY NEWS", WAS PREDECESSOR OF THE "NEWS."

CLYDE W. WARWICK, EDITOR 45 YEARS, 1910-1955. WON AWARDS FOR OUTSTANDING WEEKLY 1942, 1950. SPECIAL EDITION (1949) WAS RATED NATION'S BEST. TROY MARTIN BECAME EDITOR IN 1960. "DEDICATED TO RANDALL COUNTY" (1967)

"We're stepping on toes that have never been stepped on before," he noted.

"Users want their friends to enjoy it too," he said of narcotic addicts, explaining that statistics show that one user will entice seven of his friends to try drugs.

Explaining to a small group of WTSU students who had questioned the harmful effects of drugs that narcotics were not only physically but morally harmful, Decker said it seemed the students had used or were considering the use of drugs.

"Use them if you want to--it's alright with me," he declared. "Just don't come around my kids or my friends if you do--I'll put you in jail."

In the Midland-Odessa area where Decker works as an undercover agent for the DPS, there are 50 known users of heroin and four times as many who smoke marijuana.

Also speaking at the symposium was James R. Green of Dallas, assistant regional director of the Bureau of Drug Abuse Control of the Department of Health, Education and Welfare, and Paul Gaither, Potter County sheriff.

A panel discussion involving the three men was conducted later during the symposium.

School Talk Is Scheduled

Jerry Jacobs, superintendent of the Canyon Independent School District, will discuss expansion of the schools at a meeting of the Canyon Rotary Club Tuesday.

The group meets at noon in the American Legion Building. City Manager Paul Davis discussed a \$440,000 bond issue election Tuesday.

Church Gives

Canyon First Baptist Church Brotherhood provided these two beef cattle for Buckner Children's Home of Lubbock. With the animals are from left, John Hammond, J.C. Newton, president of the brotherhood; and Rev. Strauss Atkinson, pastor of the church. Combined weight of the cattle was 2,125 pounds. The beef was processed by a Tulia firm.

Prayer Tree

WORLD FRIEND'S GROUP of the Sunbeam Organization has made a "prayer tree" featuring home and foreign missionaries pictures as the fruits of the tree. The tree will be exhibited in the foyer of the First Baptist Church for several days. Students working on the project were, seated, from left, Jed Welch, Batina Anderson, Becky Lindsey, Leah Hooper, Theresa Galloway, Kimberly Reeves; back, from left, Tracy Byrd, Jimmy Fort, Stan Sanders, Mike Moore; and leaders, Mrs. Jack D. Williams, left, and Phyllis Hunnicutt, right.

JUNIOR HIGH home economics students inspected spring fabrics and patterns last Friday at Warren's in Canyon. Pictured with Mrs. Nadene Lyles, home ec instructor, are, from left, Beth Starnes, Carla Lee and Kay Smith. The students were given a discussion on textures, styling and fabrics by Mrs. W. A. Warren.

CJHS Students Get Track Team Honors

Seven Panhandle cities were represented with teams at a recent track meet conducted at Canyon Junior High School. There were 12 teams in each division and some 600 students from throughout the area in the tournament, said CJHS Coach Wayne Phemister. Those seventh grade students from CHJS winning awards included Matt Hansen, broad jump, fifth; 440-yard relay team, sixth; Kent Zevely, high

Trustee Workshop At WTSU

Jerry LaGrone this week announced plans for a school board workshop to be held at West Texas State University April 11.

LaGrone is a member of the Canyon school board and is a member of the board of directors of the Texas Association of School Boards.

The workshop will begin at 2:30 o'clock in the afternoon in the Student Union Building. LaGrone said school boards and superintendents from over the area are invited to the workshop.

Coordinator for the workshop will be Dr. Fred Stocker, professor of education at WTSU.

Exhibit Works In Show Here

An exhibition of sculpture, paintings, drawings and pottery of Mrs. Frank Duncan will go on display in the Fine Arts Building at West Texas State University Sunday.

Reception hours will be 2-5 p.m. The exhibit will include the artist's sculpture works for the past 15 years, drawings and paintings done since 1963, and pottery which was completed in 1967.

Mrs. Duncan has attended Amarillo Junior College and West Texas State University. She has studied watercolor under Dr. Emilio Caballero and Stefan Kramer; sculpture with Clarke Garnsey, Sam Goldston, Tommy Hicks and Heri Barsht of Dallas; portrait painting with Dord Fitz, Clarence Kincaid and Van Driest of Taos; and drawing and painting with Connie Smith.

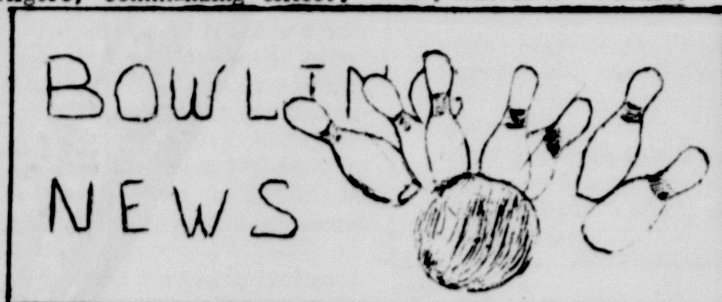

Awards in sculpture and drawing have been won by Mrs. Duncan in the Secretary Show. Her sculpture was accepted in the Forty Best Show in 1965-66 and 67. She has participated in a four-man show at WT before. She is the wife of Dr. Frank Duncan and has three children, Mrs. Ford Weathers of Amarillo, Mrs. Roy Gastafson of Denver, Colorado, and Patsy Duncan of Amarillo.

Girl's Team Will Perform

The West Texas State University Angel Corps, girl's drill team, will present an exhibition performance Tuesday at 3:15 on the square in Canyon.

Drill team members will disburse for a fund drive to sponsor the group's trip to the HemisFair performance April 27.

POLLS WERE CROWDED as a record number of Canyon voters turned out Tuesday to pass general obligation bonds totaling \$440,000. The bonds will be used to finance sewer, street and drainage, and dump ground expansion and improvements. Jim Christopher, local realtor, defeated incumbent George Ritter,

West Texas State University associate professor of government, for place three on the City Commission. Total votes in the bond election were 575 and 619 participated in the commission elections.

WTSU Football Prospects Reviewed

Any assessment of West Texas State University's 1968 football prospects would have to open with halfback Eugene (Mercury) Morris, the nation's second leading rusher of 1967, and the Buffs' candidate for All-America honors.

Picking up where he left off last Fall, the 190-pound Pittsburgh, Pa. dynamo, enjoyed the kind of Spring that prompted Buff Head Coach Joe Kerbel to comment, "Morris has got to be the best running back in the nation."

Kerbel may not be wrong. Last season Morris waged a game-by-game duel with Southern Cal's O. J. Simpson for the national rushing crown. He wound up with 1,274 yards, some 141 steps shy of Simpson's winning total, but Orange Juice had 75 more carries to compile his winning margin. Morris' 6.7 rushing average was high among the nation's top 10 rushers. Based on his rushing average, an additional 75 carries would have given Morris the rushing championship with 1,777 yards!

"Not only is Morris a great runner, but he's also an outstanding pass receiver, blocker and leader," says Kerbel. "He's the type of athlete that improves with every workout, and if he gets much better, he'll belong in another league."

In his quest of the 1967 rushing title, Morris gained over 100 yards against Utah State, Colorado State, University of Texas at Arlington and Wichita State. He gained over 200 yards rushing against East Carolina (224) and rushed for a record 264 yards against University of Pacific.

Taken alone, these statistics would be enough to rank Morris with the best running backs in the nation; but throw in Morris' wipe-out blocking, his 12 touchdowns, his kickoff return yardage (150) and his receiving statistics and you get a better picture of his value to an offense that ranked second nationally in rushing and fifth in total offense last season. Morris' receiving total was an impressive 18 catches for 254 yards. He also completed a 17-yard scoring pass to boost his total offense to 1,545 yards. This figure is a total offense high for running backs. Morris' closest total offense competitor from a running back came from O.J. Simpson who compiled 1,448 yards in the rushing, passing and receiving department.

This Fall, Morris should be even more conspicuous in the national statistics. Returning to join him in the 1968 line-up are eight offensive starters including backfield mates Roy Winters (QB), fullbacks Duane (The Train) Thomas and Albie (00) Owens and flanker Charles Henderson. Morris will also benefit by working behind a veteran offensive line featuring 250-pound tackles A. Z. Drones and Larry Brazon and 240-pound guards Dag Azam and Eddie Golecki. Golecki, a two year letterman, was the lone returning starter in last year's forward wall.

"Our blocking got better as the season progressed," complements Morris. "I'm looking forward to running behind this line next season. They've really been popping this Spring."

Morris looks to 1968 optimistically. He feels that 1968 Buffs will be an improved team, capable of bettering their 7-3 record of last season when

Martin Tuley Arraigned

Martin Edgar Tuley was arraigned here Tuesday on a charge of robbery with a firearm and denied bond by Randall County Peace Officer W.A. (Bill) Wilson.

Tuley, 21, of Garland, was brought to Canyon from Baton Rouge, La. by Cecil Johnson, Randall County deputy.

Tuley is charged with the alleged Feb. 12, 1967 armed robbery of a Toot'n Tootum Food Store in South Amarillo.

Golf Team Visit NSU

The WTSU golf team opens season play Saturday when they travel to Abilene for a match with Hardin-Simmons University.

Members of the team making the trip for the match are Bill Rice, Sweetwater junior; Bobby Caldwell, Amarillo freshman; Kenneth Caldwell, Amarillo junior; Tommy Barrow, Andrews sophomore and Denny Porter, Andrews junior.

Patrolman Is Hired

A new police patrolman has been employed by the City of Canyon, according to Chief L. D. Caldwell.

Charles Feagley, former patrolman at Littlefield and Taylor, was employed to replace Arthur Plain, who recently resigned to join the West Texas State University Security Department staff.

Feagley, who is married, was born in Littlefield and attended Amherst High School.

they posted a convincing 35-13 win over San Fernando Valley State in the 1967 Junior Rose Bowl.

"I'm hoping we'll win 10 straight this season and get another bowl bid," says Morris, a wide smile crossing his face. "I can hardly wait for

Platt. . .

(Continued from Page 1) the court.

Jones said the plat was turned down when the court learned that one of the streets in the addition was constructed along a high pressure gas line.

"They went out there and started work anyway," Jones declared at the Monday meeting of Randall County commissioners court. "I asked them why." They said "We have the county judge's signature on a plat." I said, "You don't have commissioner court approval." They said, "We think it's just as good."

Commissioners tabled any further action until County Clerk Leroy Hutton has an opportunity to search the court's minutes further.

Commissioners Monday approved payment of \$26,152.70 on construction of a new court house annex.

Russell Megert, architect, discussed plans for bringing sewer lines across Fourth Avenue to the new annex. He said approval had been received from the State Highway Department to dig across the avenue for the facility.

Inspection Draws Near

State safety inspection stickers must be on all vehicles by April 15, according to Texas Department of Public Safety officials.

Business establishments here who are authorized to issue the inspection stickers are Dorris Garage, McAttee and Warwick, Imperial Chevrolet, McBroom Garage, Jess Ford, Stevenson Pontiac and Donnell Garage in Umbarger.

Most vehicles produced after 1962 must have seat belts before an inspection can be made. Any vehicle with anchor plates installed by the manufacturer must have belts in the front seat.

Easter Service Set In Canyons

Annual Sunrise Services, sponsored by the Canyon Christian Youth Council, are being planned for Easter Sunday at Pioneer Amphitheatre in Palo Duro Canyon.

Rev. Baldwin J. Stribling, pastor of the First Presbyterian Church of Canyon, will be guest speaker. Darlene Williams is president of the sponsoring CCYC.

the opening kickoff."

Morris isn't alone. West Texas State football fans are anxiously awaiting the start of the 1968 season and another look at the back who could become the Buffs first major college All-American—halfback Eugene (Mercury) Morris.

Babe Ruth Tryouts Set

Tryouts for the summer Babe Ruth League will be held Friday at 4:30 p.m. at Little League ballpark, according to Dr. Dudley Moore, league president.

All boys age 13-15 desiring to participate in the summer athletic program of the league should attend the tryouts. The league draft for teams is scheduled Sunday.

The league has four local teams including the Giants, Cardinals, White Sox and Pirates. In addition, the Fannin team from South Amarillo and the Happy teams will be involved in the tryouts Friday.

Coaches for the teams will be Manson Lisle, Orville Hicks, Tommie Terrell and Gene Andrews.

caliche the street if Pioneer Estate developers would deed an additional 30-foot strip to the city limits.

In a further discussion of paving, city fathers agreed on an assessment procedure for the paving of streets.

It was agreed that City Engineer Bill McMorries of Amarillo prepare a traffic pattern study for Canyon to determine what streets needed to be paved. The property owners adjacent the streets would be assessed for the paving costs.

A resolution correcting tax records for the city's delinquent tax roll was approved. A total of \$689.10 was removed from tax rolls dating to 1960. Most of the errors removed were those billed in error and unable to locate accounts and were for personal property.

City Manager Paul Davis said Canyon Independent School District officials have indicated they will pay for half the cost of a fence around the city's baseball park.

The park, located near the city pool, is used jointly by Canyon youngsters and students here.

A four-foot hurricane-type fence will replace a smaller fence. Total cost will be about \$1,300.

the transactions that the department felt that the Canyon Credit Union had borrowed more money than it should have.

A member of the credit union board said the notes were cancelled upon direction of the State Banking Department.

Gibson said credit unions often make loans for the purchase of shares with no money changing hands at the time. "But they usually are for \$1,000 to \$2,000," he stated.

He said that not in the previous history of credit unions has he known of such loans on the scale made by the Canyon Credit Union.

Gibson was asked if depositors would ever get their money back.

"I'm sure they will," he replied. "It's just going to take a little time." He termed money loaned by the local credit union as "excessive."

Texas Credit Union League is acting as liquidating agent for the local credit union. James W. Young of Dallas, staff attorney for the league, and Charles L. Oates, Amarillo, member service representative, along with two unidentified men reported to be representatives of an auditing company, were in Canyon Tuesday going over documents at the credit union office here.

Gibson said some bonding claims have been filed in connection with the Canyon Credit Union. He said one or two have been paid to date.

Canyon Credit Union office is at the rear of the T.H. Insurance Agency, Miss Evelyn Burgin, a junior secretary science major at West Texas State University, keeps the office open from 1 until 4 p.m. Monday through Friday each week.

Miss Burgin says she receives frequent calls from depositors and shareholders.

"They're interested in it," Miss Burgin said.

Gene Howe Elementary School entries are Patricia Maxwell, math; Marty Wallis, physics; Gene Maxwell, math; and Mike Arp, medicine and health.

Also entered in the elementary division will be Elbert Liekhus of Umbarger School. He will enter the earth-science division of the fair.

On the junior high level, James Grabber of Umbarger School will be entered in the earth-science division.

Entrants for Canyon Junior High School will be Mary Lindsey, botany; Jill Caraway, botany; Randy Lyles, zoology; Stephen Daugherty, chemistry; Robert Friemel, physics; Ernest Williams, physics; and Jamie Martin, math.

Permits Drop For March

Building permits in the City of Canyon for the month of March were \$44,900, according to E. A. Collie.

Collie, city building inspector, said the \$44,000-plus figure included two residences, two storage sheds and two move-in residences.

The figure compares with \$75,910 for 1967 and \$404,043 for 1966.

Building permits for February 1968 were \$62,500 and \$508,000, for January. The January figure included \$400,000 for construction of an annex to the Randall County Courthouse.

SPELLING CHAMPIONS were Patricia Maxwell, left, junior division winner from Gene Howe Elementary School. Miss Maxwell also placed second in the senior bee won by Mary Reef of Umbarger School, right, in the 19th round with the correct spelling of "circuit" and "barrister". County Judge Carroll Brown made the presentation of ribbons at the event.

France Topic For Discussion

"The Past Is Not Dead" is the topic of an illustrated talk to be delivered in the Fine Arts Auditorium of West Texas State University at 9:30 a.m. today, Thursday.

Dr. Michel Dassonville, professor of French literature at the University of Texas, will deal with the history of France as seen through the arts and scientific progress.

Faculty members have been invited to bring their classes. Dr. Pless Harper, professor of modern languages and head of the department at WTSU, said Dassonville, 38, a native of Lille, France, and a resident of the United States since 1965, has written many scholarly articles, has lectured at various places in the U.S., and has written a half dozen books. He is at work on a multi-volume work on the French 16th century poet, Pierre de Ronsard.

He has been at the University of Texas off and on since 1960.

to bring the bond issue propositions to the voters. City dads said they would begin preparations in the near future for advertising for bids on the general obligation bonds.

The bond issue election, the first here since 1957, will mean additional facilities at the city sewerage treatment plant south of Canyon; several blocks of street widening and drainage work; and the purchase of additional land at the dump ground northwest of here.

While the only public opposition had been to the dump ground expansion, only 99 cast ballots against the move that will include burying the trash in pits daily. Opponents of the expansion said the action might pollute and wash trash into the nearby creek.

In heated elections last year, which saw two city commission incumbents removed from office, a total of 483 votes were cast.

The unseating of Ritter marks the first time in several years that West Texas State University, where the incumbent is associate professor of government, has not had a representative from the faculty on the commission.

It has been rumored that commissioners might appoint a WTSU faculty member to fill the unexpired term of Tom Foster, place five, who died last week.

Although only about 80 had cast ballots by noon Tuesday, the pace quickened toward mid-afternoon and continued until the polls closed at 7 p.m.

Only those registered voters who are property owners here could vote in the bond issue election.

gore Research Center. Dr. Kraus indicated last week he would appeal the WTSU's decision not to rehire him to the regents at their May 10 meeting in Austin.

"We the undersigned are officially protesting the dismissal of Dr. Kraus," the petition reads in part. "We feel the dismissal of a man with an educational background as Dr. Kraus would be a severe loss to WTSU and an unmerited insult to Dr. Kraus."

Roberts, who said he had previously had Dr. Kraus as an instructor, said whether the five-point bill of particulars setting forth the administration's reasons for the decision were true or not, they did not constitute dismissal.

Dr. Kraus, who came to WTSU in 1964 with degrees from MIT and Cal Tech, was notified by the school administration last December he would not be recommended for continued employment after Aug. 31, 1968.

Roberts said signatures would be accepted on the petition throughout the month and would be forwarded to the regents before Dr. Kraus meets with the WTSU governing body in May.

MISS GRACE ALICE WILLIAMS

Nuptials Planned

Grace Alice Williams, daughter of Mrs. Edgar Williams and the late Edgar Williams of Canyon, will become the bride of Orville Harold Ladehoff, son of Mr. and Mrs. Harold Ladehoff, south Amarillo, in ceremonies at the First Methodist Church of Canyon May 31.

A graduate of Canyon High School, Miss Williams will receive a bachelor of music education degree from West Texas State University in May. She is a member of Mu Phi Epsilon, national professional music sorority, and is completing student teaching at Canyon Junior High School. She is organist for the First Congregational Methodist Church of Amarillo and pianist for the Canyon Lions Club.

Her fiancé is a graduate of Canyon High School and is presently working toward a degree at WT. He also has farming operations south of Amarillo.

ALPHA DELTA PI alumnae officers, from left, Mrs. Clay Cooper, treasurer; Mrs. Larry Brandon, president, and Mrs. Ken Maynard, secretary. The sorority alumnae association was organized recently in a business session at the home of Mrs. Clay Cooper. Other of-

ficers are (not pictured) Miss Jo Sneed, vice president; Mrs. Elton Cox and Mrs. Bob Phillips, co-chairmen of membership selection. Next meeting for the group will be April 26 at the home of Mrs. Brandon.

Miss Angel Is Honored

Miss Mary Angel, bride-elect of Tony Williams, was honored with a personal shower Friday evening at the home of Mr. and Mrs. W. B. Harris with their daughter, Kathryn, as hostess.

Assistant hostesses were Misses Pat Tilger, Karen Thompson, Maribeth Oglesby, Connie Clifton, Cindy Lee, Sharon Smith and Mrs. Mickey Kendrick.

An Italian cutwork linen cloth covered the tea table which was centered with a bride doll. A floral base of hot pink and green flowers surrounded the base of the punch bowl. Tapers flanked the arrangement. Cookies, mints and nuts were also served.

Reception Is Sunday

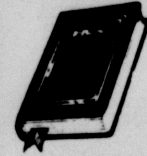

Canyon City chapter Order of the Eastern Star will honor Billy Bible, grand officer and chairman of the Board of Grand Trustees, with a reception Sunday afternoon from 3-5 p.m. in the Baptist Student Union building on the campus of West Texas State University.

Guests from District II, Section III, and other adjoining sections have been invited for the occasion.

Palo Duro MILs Install Slate

Palo Duro Mother-in-Law Club will meet Thursday, April 11 at the home of Mrs. Alice Blac, 2404 15th Ave., for installation of officers.

Co-hostess will be Mrs. Clark McClendon. The meeting begins at 3 p.m.

Soccer Team To Perform Before WT-Alumni Contest

Initiation of a new soccer team at West Texas State University will be presented for public viewing Friday night at 6 p.m. in the Buffalo Bowl.

The soccer exhibition game will precede the annual WT Varsity-Alumni football game. The WT team will play against the Amarillo Soccer Team.

During last Saturday's practice session a temporary starting team was chosen consisting of Carlos Pedrosa, goalkeeper; Tony Guillen and Rick Kuehnast, fullbacks; John Eder, Tom Boutell, and Mike Parmley, halfbacks; and Jon Low, Ekrem Spahic, Angel Hurtado, Vince Celantano and Juan Valencia, forwards.

Others that will probably see action Friday night are Arthur Bort, Rene Batard, S. Patrick Lai, Pat Parmley and Rene-Charles Riviere.

Leading WTSU's soccer team will be Hurtado, Chicago freshman; who has played soccer for the past 16 years, dating back to his childhood days in Huan-cayo, Peru.

Hurtado, who will play the center forward offense, came to the United States in 1963. While serving with the U.S. Army at Jamestown, Va., he played on an Army team.

Hurtado will be assisted by forwards Low, Canyon senior,

who played soccer while staying seven years in Nigeria; Spahic, Dumas junior, native of Tuzla, Yugoslavia; Celantano, Ridgewood, N.J., junior, who lettered in soccer during high school; and Valencia, Belize, British Honduras, freshman, who played soccer most of his life.

Halfbacks Eder, Corpus Christi senior; Boutell, Dallas sophomore; and Parmley, Monterey, Calif., sophomore; will

be holding the Buff defense. Eder played soccer during high school, while Boutell, who organized the team, played on a team with the U.S. Army in Vietnam.

Guillen, an Amarillo sophomore, and Kuehnast, Hale Center junior, are the fullbacks.

Pedrosa, the goalie, is a native of Bogota, Columbia. He presently lives in Amarillo and is a sophomore student.

Happy JCs To Install

Happy Jaycees will hold an annual installation and awards banquet Saturday night at 7:30 p.m. in the Happy High School cafeteria.

Guy Hamblen, Canyon, state director for Area I Jaycees, will conduct the installation of officers. The group to be installed are Jim Fellers, president, Billy Penn, vice president; George Tirey, secretary; Duane Stubblefield, treasurer; Tom Henry, inter-club director; and directors, Norman Freeman and Lloyd Venhaus.

Don Crocker, agriculture manager for the Tullia Chamber of Commerce and past president of the Tullia Jaycees, will serve as master of ceremonies.

Open to the public, the fifth annual installation banquet will be catered by Al's Restaurant. Tickets are \$3.75 which includes an installation dance at the American Legion Hall after the banquet. Music for the dance will be by Charlie Walker's band from Hereford.

Advance tickets are available from Happy Jaycees.

Seminar Set At University

West Texas State University will be the site for a seminar sponsored by the Amarillo and Lubbock chapters of the American Society of Chartered Life Underwriters and the CLU department of education at Bryn Mawr, Pennsylvania.

The seminar will be held in the Old Administration Building at WT on April 24 with sessions slated from 9 a.m. until 4 p.m.

Guest speakers will be Robert J. Piro of Houston and Gerald J. Randall of Connecticut. Piro will discuss "Recent Developments in Texas Community

Property Law-Impact on Life Insurance and Estate Planning." Randall's topic will be "Using the Corporate and Trust Dollar to Solve Personal Problems".

News Brief

Canyon Jaycees and Jayceettes attended an installation program and awards ceremony in Vega Saturday evening.

Representing the local clubs were Mr. and Mrs. Charles Marshall, Mr. and Mrs. Weyman Brown, Mr. and Mrs. Delbert Turk and club guests, Mr. and Mrs. Larry Hooper.
